

Shelford ‘Safari’ Walk!

Spot the animals (real and stuffed!) on this route around Shelford!

Obviously you can also still look out for other bears, rainbows and painted rocks...

Animals correct at time of publishing - keep in mind people might change their window displays and real animals might be moved :)

- A) **Snake and Bear** - Mingle Lane house windows
- B) **Clown Fish** (Nemo) - Spinney Drive house window on left
- C) **Bunny** - Days Bakery window
- D) **Horses and Swans** - Recreation Ground behind the strip of trees behind the football goal, and by the river
- E) **Goats** - Kingsmill Lane on the right (hopefully in their little field and not hiding in their shed!)
- F) **Owl and Cat** statues - High Street top of wall
- G) **Bears** - Granham’s Road in bungalow window on left
- H) **Ladybird Hunt** near the field/allotment area along Cambridge Road (sorry slightly out of order due to a location change!). Search for Mrs Ladybird’s missing children - see photo below! (Please take care due to small stones - choking hazard.)
- I) **Horses** - DNA cycle path
- J) **Sheep and Lambs** - look left from the top of the railway bridge on Cambridge Road (or go through the fields behind - via Jenny’s path near the primary school or via the cut through on Cambridge Road - for a longer walk and often much better view of the animals from the other side.)
- K) **Sloth and Fox** - Davey Crescent house on left (There are little treats for the children attached to the back of the fence to say “Congratulations on doing the Safari!”. Please take one!)
- L) **Horses** - Cambridge Road in paddock
- M) **Little Bo Peep and Sheep** display - Walden Way, round the back of the mini roundabout at the end of the cul-de-sac - see photo below!
