

Week 2 - The Storm

Intro - have you been on any memorable boat trips?

Read Luke 8:22-25

- 1) What happens if we compare this boat journey to the current pandemic?
- 2) What joys do you miss about your time before all this started?
- 3) What has been the biggest challenge this storm has caused in your life? How does it compare to other 'storms' you have experienced?
- 4) The disciples would never look at Jesus the same again after this boat trip. What ways do you think your life might change after this all calms down?

Prayer to know Gods will – *St. Ignatius of Loyola*

May it please the supreme and divine Goodness
to give us all abundant grace
ever to know his most holy will
and perfectly to fulfil it.
